Attention Teachers

Current Events is planning a Special Report on **race in America**, and we want to hear from your students!

Have your students write to us and tell us what role **race** plays in their lives. (See issue 24, page 4, for sample questions.) We'll personally interview some students who respond, and **Current Events** will feature them in a Special Report during the 2004-2005 school year. Students can also submit in original artwork that expresses their feelings about race. Responses should be e-mailed to edce@weeklyreader.com or mailed to: **Current Events/Race in America**, Weekly Reader Corporation, 200 First Stamford Place, P.O. Box 120023, Stamford, CT 06912-0023. Don't forget to include contact information. Thanks!
